Dear David, Abraham & Staff,

I need to express my heartfelt appreciation and deep admiration on the fine, dedicated, and professional way that you handled my case.

It's hard to believe that five years have passed since my electrocution injury at the Javits Convention Center and that my case is now finally over.

When my injuries turned into painful symptoms that were not visible on the exterior, yet kept on becoming worse, I knew that fighting for any compensation was an uphill battle. Thankfully, you took the case, and helped me get better by guiding me to the right professionals for treatment. You were determined to not let anything get in the way of justice and when the responsible parties refused to settle, you didn't give up, you confidently proceeded to trial.

Amazingly, you managed to accurately and vividly portray the real facts and complex happenings of my case. Your knowledge, professionalism and skills where exemplary at trial while always remaining calm and collected. I was beyond impressed. We all were. And so was the Jury when they reached a verdict, tripling the defendant's last minute offer.

All I can say is Thank you so very much! From the bottom of my heart; my family and I are eternally grateful to you and your wonderful firm. You and yours should be blessed with good health, happiness, and lots of success in all your endeavors.

Yours truly,

T S
